

Club Visits Award Banner

We are providing basic information to assist clubs in making their own "CLUB VISITS AWARDS BANNER". The Rules for individual NORTEX clubs to follow to earn the NORTEX Club Visits Awards patches and the required signature cards are available in the Forms and Documents section of the NORTEX website.

Awards will be cloth patches approximately 4 1/2 x 4 1/2 inches square which can be glued or sewn on the banner. The banner should be sized to accommodate five patches, side by side, with one inch between each patch and at the edges. The banner can be of any vertical length that a club should desire.
