## Letter from the President

February is upon us! Well, ok, I realize February is the worst weather month of the year and we all hope it's over as quickly as possible. But then there is March which will signal that spring is coming and flowers will be blooming!

There is a special event in February, which always brings excitement to the club. That is the installation of new officers at the first regular dance. With the new officers, come new and fresh ideas to maintain and grow our club. Our membership will continue to grow, our monthly dances will be larger, and more visitors will come. I can hardly wait!

On a serious and sincere note, I want to thank every member of our club for supporting me as your president for the past year. It has been my privilege to be your president and it is my hope that I was able to make improvements for the club. I want to thank my team of officers and you, as members for the accomplishments made this past year. At the conclusion of my letters and Fireside Chats, I have always closed with the motto; The Triangle Squares, The North Star of NorTex. In my heart, Triangle Squares is the North Star, and its members are my STARS.

President Donna Miller, it is now time for me to pass on the trooper's flag to you. I know you will carry it well!

As always, Thank you for your time,

Dale and Ms. Carol

North Star of Nortex
