It finally looks like spring is about to approach us! After having extreme ice, I'm so ready for warmer and nicer weather. I personally don't do well cooped up in my house too long. I want to thank past President Dale and Carol Chedwiggen plus past officers for their leadership over the past year. Dale stated that his goal was to bring a SMILE to every member while he was President. Well, Mr. Dale I believe you definitely accomplished your goal! Job well done!</p> <p>For those that are just beginning to know me, please let me share my Square Dance experience. I have been a mainstream square dancer for nine years. Immediately after my mainstream class, I took plus dance lessons. I was voted in as Triangle Squares Club Secretary for years 2015-2017. Then, I was voted in as Triangle Squares Club President for years 2017-2019. Under my presidency, Triangle Squares became "Nortex Club of the Year for 2017-2018". It was a team effort that made this possible, thank you again Triangle members! During the years 2019-2021, I was Area Vice</p>

President for Nortex Square Dance Association. We all know the NASTY COVID hit and almost shut everything down. Then in 2022, I decided to gradually work my way back into square dancing. Triangle Squares voted me in to be the president for 2023 and I am proud to say, I will be working with an amazing group of officers.

HOW TO BE HAPPY THROUGH THE YEAR

Keep your heart free from hate,
Your mind free from worry,
Live simply, expect little. Give much,
sing often, pray always.
Fill your life with love,
scatter sunshine.
Forget self, think of others.
Do as you would be done by.

These are the tried links in
contentment's Golden chain.

I am looking forward to seeing what we ALL can accomplish together this year! Please watch for the "Triangle Weekly News" emails , thank you.

See you in a square,
Donna Miller
