Howdy Yall!

Spring has sprung. I love this time of year as I see the new leaves coming out on the trees and the green grass beginning to show itself after our long hard winter here in north Texas. It is a testament to life's resilience. Speaking of new beginnings, NORTEX will be electing a slate of new officers this month at the Quarterly Business Meeting on April

12, 2026. Come out and see how the process works for electing new officers. Here are your nominees.

- Donna Miller President
- James Hrubes Secretary
- Ron & Jolene Ryan Treasurer
- Tim & Tam Austin Area VP
- Joan Garner & John Hurst Area VP
- Dan & Ruanne Banse Area VP
- Amanda Rogers Area VP

The 75th National Square Dance Convention is coming up soon in Waco, Texas. I know most everyone has registered for this event. If you have not, I would highly recommend doing so as this is not likely to return to Texas any time soon. I have it on good word that there are going to be a lot of fun things going on. A couple that caught my attention are as follows. 1) Demo dance on the bridge over the Brazos. 2) Tours of Magnolia. 3) Trash dance classes.

The Texas State Federation of Square and Round Dancers is having their annual festival in Longview, Texas this summer. This is another fun event that you would love to participate in.

There are a lot of great opportunities to dance in and around Texas this year. Get out, Have Fun and enjoy our favorite hobby.

Take Care and I will see you in a square,

NTCA Corner

Hello Dancers!!!

First, I want to thank everyone who attended the NTCA Installation dance. It was a wonderful evening. Tony Oxendine was our caller for the evening and called a fantastic dance. Ray Savell was inducted into the Texas Callers Hall of Fame. Vernon Jones gave the induction speech, and Ray and Linda's family were also present.

On a sad note, Melton Luttrell passed away on March 14th. Melton was a wonderful caller, but far more importantly, he was a great man. Melton always greeted everyone with a smile and a handshake. I enjoyed sitting and talking with him about our activity and its history. Melton spearheaded the creation and construction of The Swingtime Center. He was honored with the Milestone Award, the highest honor that CALLERLAB has. He became a caller in 1950. Melton was one of the founders of CALLERLAB, he served on the Board of Governors and was Chairman. Melton's contributions to the square dance activity are immeasurable. Rest in Peace dear friend, I hope your reunion with Sue is wonderful.

As I write this, I am also getting ready to attend the annual CALLERLAB Convention, this year in Reno, NV. The convention is an opportunity for callers from all over the world to get together and share ideas, attend workshops and seminars and most importantly, to socialize with current friends and make new friends. The CALLERLAB committees have the opportunity to conduct meetings in person. Some of these committees include, Marketing, Women in Calling, Partners, Accredited Caller Coach, New Callers, Music Producers, Ways and Means, Caller Training, Social Connections and each of the levels have a committee, Mainstream, Plus, Advanced and Challenge.

The CALLERLAB convention is open all dance leaders. Get out and support your local clubs. Assist our new dancers by welcoming them into your square and socializing with them. Above all, be good humans!

I look forward to seeing you all on the dance floor!!

Thank you,
Charlie Robertson
NTCA President

Step Out On The Brazos

Dance on the Historic Suspension Bridge

Thursday, June 25, 9:00 am

Keith Klix, Caller

The historic Chisholm Trail passed through Waco in the late 19th century as a major route for driving Texas cattle to Kansas railheads. Running from South Texas through Austin, Belton, and Waco to Fort Worth, this route allowed for the transportation of millions of cattle between 1867 and the mid-1880s.

The Waco Suspension Bridge, completed in 1870, was a transformative feat of 19th-century engineering that served as the first permanent bridge to cross the Brazos River. At the time of its opening, its 475-foot span made it the longest single-span suspension bridge west of the Mississippi River.

In Memory

CHARLES WILLIAM "CW" DAVIS (PIONEERS) Charles was born on September 26, 1951, in Weatherford, Texas, and passed from this life on February 22, 2026, in Rowlett at the age of 74. He is survived by his parents, C.B. and Clarice Davis of Aledo.

Charles was an excellent square dancer and generously served as an Angel for many lesson series. His parents were longtime leaders of the Pioneers, and Charles supported them and the club with dedication and pride. He also served as President of the club for a time, always willing to step in where he was needed.

He leaves behind his parents, his siblings, his children, and his grandchildren, who will carry his memory forward with love.

CHARLOTTE JONES BALL (PIONEERS) Charlotte, 76, of Granbury, passed away at home on February 10, surrounded by her loving family. She was born in Fort Worth on November 20, 1949, to T.C. and Lola Rushing.

Charlotte and her husband, Joe, began their square dancing journey with Basic/Mainstream lessons taught by Vernon Jones and the Pioneers, proudly graduating in 2023. They went on to complete PLUS lessons in the summer of 2024 with Toby Thomason. Charlotte absolutely loved square dancing—especially the beautiful outfits. A talented seamstress, she made her own dresses and delighted in creating something special for each dance.

Charlotte and Joe were always willing to serve their club in any way they could. She was also an excellent cook, and her dishes quickly became favorites at Pioneers' dances. Many members asked for her recipes, a testament to her skill and generosity.

Charlotte is deeply missed by all of us, but especially by Joe. We pray for his peace and comfort during this difficult time.

GEORGE WOODROW WILSON (DIAMOND JUBILEERS) George Wilson, 74, of Irving, Texas, was born July 12, 1951, in Oklahoma City, Oklahoma, and passed away on March 2, 2026. He married the love of his life, Cheryl May, on August 28, 1973, in Dallas, Texas, and together they shared more than fifty years of devotion, partnership, and service.

George's life was marked by kindness, generosity, and a deep commitment to faith. In high school he was active in the Latin Club, and during his college years at Central State College in Edmond, Oklahoma, he was a proud member of the Tau Kappa Epsilon (TKE) fraternity. Throughout his adult life, he continued to serve others—volunteering with Irving Cares and Baylor Scott & White Hospital, and holding many roles within the U.S. Postal Service.

A faithful servant of God, George was a Deacon at Plymouth Park Baptist Church and a dedicated member of the Gideons. His gentle spirit, giving heart, and unwavering faith touched everyone who knew him.

George and Cheryl were enthusiastic members of several NORTEX square dance clubs, including Circle I, Tri-City Promenaders, and Diamond Jubileers. They served as NORTEX Hospitality Officers from 2017–2020 and were honored as NORTEX Dancers of the Year in 2018. George was known for always cooking for his clubs. He also baked countless cookies and brownies for NORTEX meetings. He prepared sandwiches for officers who arrived early to set up.

No one was more kindhearted or more willing to give of himself than George. His legacy is one of service, joy, and steadfast love.

We extend our deepest sympathy to his beloved wife, Cheryl.

In Memory

HELEN ATTEBERRY DOUCET (DIAMOND JUBILEERS) Helen was born on March 25, 1940, in Fort Worth, Texas, and passed away on February 3, 2026, in Bedford after a short illness.

She was a gifted tap dancer who performed with a local group, and her name became associated with beloved performance venues such as Casa Mañana and Bass Performance Hall. Her grace, rhythm, and love of dance brought joy to audiences and friends alike.

Helen's square dance journey began with lessons through the Tri-City Promenaders. She joined that club and later transferred her membership to the Diamond Jubileers. Wherever she went, she naturally stepped in to help—quietly, faithfully, and without seeking recognition. Among her documented contributions to NORTEX were serving as Vendors Co-Chair for the 2016 Round-Up and as Insurance Officer from 2017–2019.

At Round-Up 2016 she won the NORTEX Grand Prize cruise and invited Peggy Kemp to join her on that memorable trip.

Helen was a delightful person whose presence brought happiness, warmth, and light to every room. She will be terribly missed by all who knew and loved her.

HELEN MARIE MATUS (STONE STEPPERS) Helen lived a happy and active life for 90 years. She was born on February 24, 1936, in Abbott, Texas, to Joe and Lillian Makovy. After graduating from Abbott High School, she helped on the family farm and carried those values of hard work and generosity throughout her life.

She met her husband, Marvin, at a cousin's wedding where they were paired as bridesmaid and groomsman—an unexpected beginning to a beautiful love story. They married on June 30, 1956, and shared 64 wonderful years together until Marvin's passing on August 31, 2020. Together they raised four children and were active in church organizations, scouting, and square dancing.

Marvin and Helen discovered square dancing in 1970 and continued dancing across the United States for 47 years, through 2017. They were life members of the Stone Steppers Square & Round Dance Club and served the club in every capacity, including multiple terms as President. Their leadership extended beyond the club as they served as Presidents of both the NORTEX Square & Round Dance Association and the Texas State Federation of

Square & Round Dance in 1982.

In 2010, NORTEX honored their decades of dedication by establishing the *Marvin & Helen Matus Lifetime Achievement Award*, a testament to their enduring influence and service.

To many in NORTEX, losing Helen feels like losing the matriarch of the association. Her warmth, leadership, and unwavering commitment will be remembered with deep affection.

MELTON LEE LUTTRELL (CIRCLE 8) Melton was born on October 27, 1928, in Eastland, Texas, and passed away on March 14, 2026, in Willow Park at the age of 97. He married the love of his life, Susie, on November 23, 1949, and together they raised three sons who brought them immense pride.

To the square dance community, Melton was nothing short of a living legend. His dedication to the activity - and to the people who loved it - was unmatched. He led the effort to build and maintain Swingtime Center in Fort Worth so dancers would always have a place to gather, learn, and celebrate the joy of movement. As a Hall of Fame and Milestone Award caller, he used his remarkable talent not only to entertain but to mentor, encourage, and challenge callers and dancers alike. He had a keen eye on the dance floor and was known to gently point out mis-steps with a smile, always in the spirit of helping dancers grow.

One of his greatest joys was teaching. For many years he instructed lessons for the Pioneers in Weatherford, shaping countless new dancers with patience, humor, and a style all his own. He rarely called anyone by their real name—he preferred to give each student a nickname. Big Boy, Teacher, Flower... the names were as memorable as the man who gave them.

Listing all of Melton's achievements would be impossible; there were simply too many. One goal he didn't quite reach was calling a tip on his 100th birthday. But being reunited with Susie is surely a far sweeter reward.

We say goodbye to a dear friend, a mentor, and a pillar of our community. Melton, we will miss you deeply.

REBEL ROUSERS - March was a busy month for the Rebel Rousers! We've been out dancing, visiting clubs, and proudly receiving banners along the way. We also enjoyed a wonderful club social at the Dallas Aquarium and a great lunch together at El Fenix. It's always such a joy to share fellowship and laughter with such great friends. Our March dance, "Dance Into Spring," was very well attended, and we want to send a heartfelt thank you to everyone who came out to dance with us. Your support and energy made it a fantastic evening!

Happy Birthday

An Easter Story: The Greatest Love

Long ago, in a quiet valley surrounded by olive trees and dusty roads, lived a young boy named Eli. Eli loved to sit on a hill just outside his village and watch the sunrise. His mother always told him, "Every sunrise is a reminder that God loves us enough to give us a new beginning."

Eli believed her. But one spring, as Passover approached, the whole valley felt different. People whispered in the streets. Travelers hurried along the road toward Jerusalem. And everyone was talking about one man—Jesus of Nazareth.

They said He healed the sick, fed the hungry, and spoke about God as if He knew Him like a Father. Eli had never met Jesus, but he hoped he might someday.

One morning, Eli followed the crowds into Jerusalem. Palm branches waved in the air as people shouted with joy, "Hosanna! Blessed is He who comes in the name of the Lord!" Eli felt excitement rush through him. Jesus rode past on a donkey, smiling gently at the people.

Eli had never seen such kindness in someone's eyes.

But only a few days later, the joyful shouts turned into angry cries. Soldiers marched through the streets. People said Jesus had been arrested. Some said He had done wrong. Others said He was innocent.

Eli didn't understand. How could someone who loved so deeply be treated so harshly?

On a hill outside the city, Jesus was crucified. Eli stood far away, tears burning his eyes. He didn't know why this had happened, but he felt the weight of it in his heart.

As the sky darkened, Eli remembered something he had heard Jesus say earlier in the week:

"Greater love has no one than this: to lay down one's life for one's friends."

And suddenly, Eli understood.

Jesus wasn't dying because He was defeated.
He was giving His life—**for everyone**.
For the broken.
For the hurting.
For those who felt far from God.
For Eli.
For us.

It was the greatest act of love the world had ever seen.

Three days later, Eli returned to the hill where he watched the sunrise. As the first light broke over the horizon, he heard footsteps running toward him.

"Eli!" his friend Miriam shouted. "He's alive! Jesus is alive!"

Eli's heart leapt. The sunrise suddenly felt brighter than ever before.

Jesus had conquered death.
Love had conquered fear.
Hope had conquered darkness.

And Eli knew that the love of God—shown through Jesus—was stronger than anything in the world.

From that day on, Eli told everyone he met:

"Jesus gave His life because He loves us. And He rose again so we can live with hope."

And every Easter morning, as the sun rose over the valley, Eli remembered the truth that changed his life:

God's love is bigger than death, deeper than sorrow, and forever ours because of Jesus.
