Triangle Squares Happenings

Words From Our President

We have received so many compliments on our 49th Anniversary Dance, "The Roaring Twenties". Congratulations Triangles, you had another successful dance!! We always do a great job pulling together to get the job done and I appreciate every single one of you members for doing this so well. I know the North Texas Dancers that join us appreciate you also.

I want to thank the 2023 officers for all the hard work they put in their positions and into our club. You all have been devoted to me as president and have been there to support me throughout the year. It is about time for the 2024 officers to step in and pick up the duties. I hope and pray all the members will treat them with respect and lend a helping hand when needed. Triangles are amazing members and I know you will support these officers throughout the 2024 year.

One thing I would like the Triangles to consider is to try to travel a little to visit other clubs for their dances. I feel the more support we give to other clubs, the more it will be returned to the Triangles. It's a wonderful opportunity to meet new friends, have great fellowship, and dancing is FUN exercise! Remember floor time improves our dancing skills and helps our memory!

See you in a square,
Donna Miller

New Dancer Lessons

Last month we started new dancer lessons and we have 4 new dancers this time around! Thank you to all of the Angel Dancers who are coming each week to help the new dancers learn and the not-so-new dancers continue to build their skills. We'll be dancing every Tuesday night at 7pm and hope that you can join us!

Happy Birthday!
