Triangle Squares Happenings

Words From Our Presidents

We have had a wonderful set of square dance lessons and our students have done great. Their graduation night will be April 16th. Looking forward to celebrating their success of becoming new square dancers and hopefully new members of our club! I want to thank the Triangle members for being there to support and help them learn through this set of lessons. All who attended have enjoyed and it is so neat to see the students grow from week to week as they learn.

Toby is starting a set of two step lessons beginning April 23rd. Time is 7:00 to 9:00 pm, \$30.00 per person, and at the First Cumberland Presbyterian Church in Denton. You must have a partner to attend these lessons.

The end of March was a busy week! Callerlab Pre-Convention Dance was Sunday, March 24th, 7:00-9:30 at the Hyatt Regency DFW International Airport for the 48th Callerlab Convention in Grapevine. Due to this Convention, some of the North Texas clubs were honored to have special guest callers from around the world at their club for some great dances. Tony Oxendine from North Carolina, Jack Pladdys from Ohio, Buddy Weaver from California and Mike Braithwaite from Germany. The Triangle Squares had a special dance with Guest Caller Kaz Tsujimura from Japan on Friday March 29th, with the theme "Welcome to Texas". What a week of great dancing with different variations of songs and styles!! Each dance was full of fun, fellowship, and great dancing. You can't end a month any better than that!!

See you soon in a square!

Please RSVP to Marcy Mann if you can attend!

Banner Raids Continue!

The Triangle Squares continued to visit other clubs in March and reclaimed another banner! We had 14 attend the Roadrunners' End of Winter dance on March 7th. We were able to reclaim our banner and also claim one of their banners!

Also, we are excited to announce that we have a new Travel Coordinator for the club! Thank you to Janis Theophanes for taking on this role! Janis will be taking a look at monthly dances and coordinating our travel plans!
